

OMEGA EDUCATIONAL CONSULTING, INC.

Omega Educational Consulting offers full college admission support this summer at their

PRE-COLLEGE CAMP 2011

Omega Educational Consulting's Pre-College Camp reduces the stress and confusion of the college admission process for the entire family. Omega's expertise and guidance allows students to confidently navigate the overwhelming college applications, personal essays and interviews.

Above and beyond other counseling, Omega's unique Pre-College Camp delivers personally tailored support and guidance from highly credentialed experts. Our mission is to empower students, enabling them to reach their highest collegiate goals.

Pre-College Camp 2011 offers:

- One-on-one college counseling, at the camp and throughout the fall semester.
- Expert guidance and preparation for the common application.
- Assistance with dynamic, personal essays writing.
- Techniques for standout college interviews.
- Standardized test and entrance exam strategies.
- Organization and management of all the various application requirements.
- Study strategies based on your own unique learning style to maximize academic performance time management and organization.
